

Preschool Spanish Class

Sioux Falls Christian Elementary offers an optional preschool Spanish class. This is available to the 4-5 year olds in the pre-kindergarten program. This program would give kids a jumpstart on learning Spanish and would prepare them for learning in the future.

This class will be offered over the lunch hour on Mondays for approximately 45 minutes (11:45-12:30). Pre-kindergartners who attend the morning session could stay once a week to attend this extra class. Hot lunch and Extended Care would be available for an additional cost for those students who would need to stay from the morning preschool. (See below for specific charges.) Afternoon preschoolers would come a little early on Mondays to attend Spanish class.

The cost of such a class will be \$100 for the year. This would be added to your tuition bill for the 2012-2013 school year.

If you are interested in taking advantage of this unique opportunity at SFCE, please fill in the information below to pre-register your child and return with your pre-kindergarten registration form. **This class will be filled on a first come, first served basis.**

\$100 for Spanish class

\$125 for those students who attend Spanish and 45 minutes of extended care. For those students who do not normally attend Extended Care, but will be staying for the Spanish class and eating a hot lunch here at school, a lunch account will also need to be established.

Please note: if a student already attends extended care, the charge for the Spanish class is \$100. If a student is only signed up for PK but wants to attend the 45 minutes of extended care and then the 45 minutes of Spanish, the charge is \$125.
