

School Instrument Policy

Sioux Falls Christian has some large instruments available for students to use. Such instruments include baritone, tuba, tenor sax, bass clarinet and one French horn. The school's percussion equipment would also be included in the category of school instruments.

If you choose to play one of these school-owned instruments **or if you will be playing percussion**, you will be assessed a \$50 per semester fee at registration.

If you have questions, please contact Mrs. Egan or the school's office manager, Glenda Lohse.
