

Sioux Falls Christian School offers a great opportunity for families to reduce their tuition by purchasing gift cards through the SFC TRIP Office.

Sioux Falls Christian purchases gift certificates from a national broker and local businesses in bulk amounts at a discount, then resells those certificates to families at face value. The 'profit' earned is used to reduce tuition costs for the individual families that purchase the certificates.

Example: If you purchase \$100 of HyVee gift cards through the TRIP office, \$4 goes into your TRIP account and \$1 goes towards SFC TRIP operating expenses.

Sioux Falls Christian currently does two TRIP tuition credits per year – November and April. Future families can begin to accumulate tuition credit; it will be held in their TRIP account until students are enrolled at SFC.

Gift cards can be purchased two ways:

- 1) Physical cards can be purchased through the TRIP office at SFC via envelope order or Cash & Carry each week.
- 2) Physical cards or e-cards can be purchased through the ShopWithScrip/RaiseRight app.

More information on getting started with the TRIP program can be found by scanning the QR code below.

Whether you are a current or future family you may participate and earn tuition credit for yourself and/or others! Let your spending work for your education – it's that simple!
