

Sioux Falls Christian School offers a great opportunity for families to reduce their tuition by purchasing gift cards through the SFC TRIP Office.

Sioux Falls Christian purchases gift certificates from a national broker and local businesses in bulk amounts at a discount, then resells those certificates to families at face value. The ‘profit’ earned is used to reduce tuition costs for the individual families that purchase the certificates.

*Example: If you purchase \$100 of HyVee gift cards through the TRIP office, \$4 goes into your TRIP account and \$1 goes towards SFC TRIP operating expenses.*

Sioux Falls Christian currently does two TRIP tuition credits per year – October and March. Future families can begin to accumulate tuition credit and it will be held in their TRIP account until students are enrolled at SFC.

Gift cards can be purchased two ways:

- 1) Physical cards can be purchased through the TRIP office at SFC via envelope order or Cash & Carry each week.
- 2) Physical cards or e-cards can be purchased through the ShopWithScrip/RaiseRight app.

For more information on getting started with the TRIP program and office hours, please scan the QR code below:

Whether you are a current or future family you may participate and earn tuition credit for yourself and/or others! Let your spending work for your education – it’s that simple!
