Top RIA Firms: *Barron's* awarded 2022, 2021, and 2020 #5, 2019 #4, and 2018 #3 rankings to Mariner Wealth Advisors (MWA) based on data compiled for MWA and the 2017 #2 and 2016 #1 rankings to Mariner Holdings (MH) based upon data compiled for MH registered investment adviser subsidiaries. Rankings for 2016 through 2022 were published in September of each award year and were based on June 30th data, including annual figures for the previous three years. The ranking is based on assets managed by the firms, technology spending, staff diversity, succession planning, and other metrics. The number of firms included in the rankings was: 20 (2016), 30 (2017), 40 (2018), 50 (2019), and 100 (2020 - 2022). The published rankings are based on firm surveys, and the firm's filings with the regulatory databases were used to cross-check the data provided. The formula *Barron's* uses to rank advisors is proprietary. The ranking is not indicative of future performance, and there is no guarantee of future success.
