

# *Investing in Christian Education* ANNUAL COMMITMENT FORM

**Please prayerfully consider a commitment to support Sioux Falls  
 Christian School during the 2025-2026 school year.**

Your support makes Christian education possible. In order to keep Christian education affordable, SFC tuition costs are set at approximately 93% of the real cost of tuition. Each year the 7% difference in cost, plus any campus improvements, are fundraised in order to continue to provide accessible, excellent education. SFC's fundraising need each year is over \$1 million just to maintain this level of tuition support and quality education. Page 2 provides opportunities to help provide for that \$1 million annual need at Sioux Falls Christian School.

Thank you for your partnership. Your generosity is appreciated!

  
 Jay Woudstra  
 Superintendent, Sioux Falls Christian School
