

Our goal is to make Christian education affordable for any family that desires it. Through available funding and donations, we help families who are unable to cover SFC tuition costs on their own. Please read on to learn who may be eligible and when and how to apply for SFC's Tuition Assistance Program.

Who is Eligible:

Families with one or more K-12th grade students planning to attend next school year can apply. After considering all applications, SFC awards aid based on need and available funds.

Tuition accounts are set up as a joint account or split between financially responsible parties. Accordingly, assistance applications should be submitted by the joint or individual households. All applications will be reviewed and applied to the corresponding tuition account.

The scale shown provides a **general idea** of families who may be eligible for financial aid. Please keep in mind that income is not the only criteria; consideration is also given to families with recent family or job changes, extensive medical expenses and other life challenges.

How to Apply:

The application process is completed through TADS, a third-party online review service which helps ensure a fair and confidential assessment of all applications.

The application process requires a \$39 processing fee and the following supporting documentation to be submitted by April 15:

- Household member's most recently completed federal tax forms (personal and business owned).
- All W-2's & most recent paystubs by each household member.
- Documents that establish the amount of miscellaneous monthly or yearly income you currently receive (i.e., welfare, food stamps, unemployment, worker's compensation, etc.)
- All corporate, partnership, and trust forms if a household member owns a 20% or more interest in a corporation, partnership, or trust.

Questions?

If you have questions about SFC's Tuition Assistance Program, please visit our website or send an email to office@siouxfallschristian.org.

Qualifying Income Scale

Household Size	Income Below
2	\$56,721
3	\$71,650
4	\$86,580
5	\$101,510
6	\$116,439
7	\$131,368
8	\$146,298
